

Year 13 Non-Examination Assessment Timeline 2025-26

Coursework and Non-Examination Assessments are set in the following subjects. Intermediate and final deadlines for each are included in this document.

- [Art – Personal Investigation](#)
- [Computer Science – Programming Project](#)
- [D&T – Iterative Design Project](#)
- [English – “Comparative Coursework”: 1 essay comparing two novels](#)
- [Geography – Independent Investigation](#)
- [History – To what extent was the authoritarian nature of the Nazi regime an aberration in the context of German history in the years 1871-1989?](#)
- [Music – Performing and Composing](#)

All efforts are made to ensure the accuracy of this document. We reserve the right to make changes to this schedule at any point in the academic year. The school will ensure that candidates are informed of their centre assessed marks so that they may ask questions of clarification informally and, if this does not resolve the situation, request a review of the centre's marking before marks are submitted to the awarding body. Candidates may request copies of materials to assist them in considering whether to request a review of the centre's marking, but must submit their request for review no later than Friday 1st May 2026. Any questions about this process should be directed to Mr Alderson, Assistant Head.
