

Wilson's Giving Day 2026

Help us raise **£75,000** to power
a more sustainable future

**Wednesday 23 September
2026**

A brighter, more sustainable future

On **Wednesday 23 September 2026**, the Wilson's community will come together for our third Giving Day.

This year, we are seeking to raise **£75,000** to kickstart a major solar installation project at Mollison Drive to...

Reduce our energy costs

Lower our carbon emissions

**Strengthen our financial
sustainability**

Double your impact

Thanks to the generosity of an anonymous supporter, **every donation made to Wilson's Giving Day 2026 will be matched pound for pound**, doubling the value of your support.

A £60 donation is worth £120 to Wilson's!

If you are a UK taxpayer, eligible gifts can go further through Gift Aid. **JustGiving will claim an additional 25p from HMRC for every £1 donated, at no extra cost to you.**

£60 donation + £60 matched funding + £15 Gift Aid = £135 total campaign value

Your Gift	Matched Funding	Gift Aid	Total Gift Value
£100	£100	£25	<u>£225</u>
£300	£300	£75	<u>£675</u>
£2,000	£2,000	£500	<u>£4,500</u>

Harnessing the power of the sun!

Our solar energy system is a forward-thinking investment in a sustainable future.

More than
300
solar panels
installed at Wilson's

More than
25,000kg
of CO₂ reduced
annually

Approximately
125,000
kWh of electricity
generated each year

Current projections
suggest the system
will pay for itself
within six years

Over
£25,000
estimated first-year
energy savings

Savings can be
redirected towards
supporting the
educational experience
of all our students.

Expected operational
lifespan of more than
25 years

The total estimated project cost is
£150,000

Click here to find out
more about the campaign
on the school website.

What could your donation fund?

Every contribution brings us one step closer to achieving our goal.

Your Gift	Could Fund
<u>£30</u>	One power optimiser (218 needed)
<u>£60</u>	One solar panel (347 needed)
<u>£250</u>	A 250m reel of solar cable (13 needed)
<u>£950</u>	One battery storage unit (18 needed)
<u>£2,800</u>	A 50kw solar string inverter
<u>£15,000</u>	The 415V AC supply installation

**Gifts at all levels are welcomed,
and every donation will be matched.**

Join us in making a difference

Together, we can create a greener, more sustainable future for Wilson's and leave a lasting legacy for generations of pupils to come.

Donate — Click here to make a gift through JustGiving. All donations made up until 23 September 2026 will count towards our Giving Day total!

Share — Tell your friends and family, share the campaign page on social media, and follow @WilsonsGivingDay2026 on Instagram for updates.

Join the celebration — On 23 September 2026, bring a £1 coin and wear sunglasses to Wilson's for our *Everybody Loves The Sunshine* part-Mufti Day!

If you have any questions about Giving Day, wish to support the campaign at a senior level, or want to contribute via bank transfer or cheque, please contact **Will Straw, Associate Director of Development** via email at was@wilsonschool.sutton.sch.uk
