# DATA PROTECTION POLICY

## 1. INTRODUCTION

- 1.1. Wilson's School ("the School") collects and uses certain types of personal information about staff, pupils, parents and other individuals who come into contact with the School in order provide education and associated functions. The School may be required by law to collect and use certain types of information to comply with statutory obligations related to employment, education and safeguarding, and this policy is intended to ensure that personal information is dealt with properly and securely and in accordance with the General Data Protection Regulation (the "GDPR") and other related legislation.
- 1.2. The GDPR applies to all computerised data and manual files if they come within the definition of a filing system. Broadly speaking, a filing system is one where the data is structured in some way that it is searchable on the basis of specific criteria (so you would be able to use something like the individual's name to find their information).
- 1.3. This policy will be updated as necessary to reflect best practice, or amendments made to data protection legislation, and shall be reviewed every 2 years.

## 2. PERSONAL DATA

- 2.1. 'Personal data' is information that identifies a living individual, and includes information that would identify an individual to the person to whom it is disclosed because of any special knowledge that they have or can obtain. A sub-set of personal data is known as 'special category personal data'. This Special Category data is information that relates to:
  - 2.1.1. race or ethnic origin;
  - 2.1.2. political opinions;
  - 2.1.3. religious or philosophical beliefs;
  - 2.1.4. trade union membership;
  - 2.1.5. physical or mental health;
  - 2.1.6. an individual's sex life or sexual orientation;
  - 2.1.7. genetic or biometric data for the purpose of uniquely identifying a natural person.
- 2.2. Special Category information is given special protection, and additional safeguards apply if this information is to be collected and used.
- 2.3. Information relating to criminal convictions shall only be held and processed where there is legal authority to do so.
- 2.4. The School does not intend to seek or hold sensitive personal data about staff or pupils except where the School has been notified of the information, or it comes to the School's attention via legitimate means (e.g. a grievance) or needs to be sought and held in compliance with a legal obligation or as a matter of good practice. Staff

or pupils are under no obligation to disclose to the School their race or ethnic origin, political or religious beliefs, whether or not they are a trade union member or details of their sexual life (save to the extent that details of marital status and / or parenthood are needed for other purposes, e.g. pension entitlements).

### **3. THE DATA PROTECTION PRINCIPLES**

3.1. The six data protection principles as laid down in the GDPR are followed by the School:

3.1.1. personal data shall be processed fairly, lawfully and in a transparent manner, and processing shall not be lawful unless one of the processing conditions can be met (see paragraph 4 below);

3.1.2. personal data shall be collected for specific, explicit, and legitimate purposes, and shall not be further processed in a manner incompatible with those purposes;

3.1.3. personal data shall be adequate, relevant, and limited to what is necessary for the purpose(s) for which it is being processed;

3.1.4. personal data shall be accurate and, where necessary, kept up to date;

3.1.5. personal data processed for any purpose(s) shall not be kept for longer than is necessary for that purpose / those purposes;

3.1.6. personal data shall be processed in such a way that ensures appropriate security of the data, including protection against unauthorised or unlawful processing and against accidental loss, destruction, or damage, using appropriate technical or organisational measures.

3.2. In addition to this, the School is committed to ensuring that at all times, anyone dealing with personal data shall be mindful of the individual's rights under the law (as explained in more detail in paragraphs 7 and 8 below).

3.3. The School is committed to complying with the principles in 3.1 at all times. This means that the School will:

3.3.1. inform individuals as to the purpose of collecting any information from them, as and when it is requested;

3.3.2. be responsible for checking the quality and accuracy of the information;

3.3.3. regularly review the records held to ensure that information is not held longer than is necessary, and that it has been held in accordance with data retention procedures ;

- 3.3.4. ensure that when information is authorised for disposal it is done appropriately;
- 3.3.5. ensure appropriate security measures to safeguard personal information whether it is held in paper files or on the School's computer system;
- 3.3.6. share personal information with others only when it is necessary and legally appropriate to do so;
- 3.3.7. set out clear procedures for responding to requests for access to personal information known as subject access requests;
- 3.3.8. report any breaches of the GDPR in accordance with the procedure in paragraph 9 below.

#### **4. CONDITIONS FOR PROCESSING IN THE FIRST DATA PROTECTION PRINCIPLE**

- 4.1. The individual has given consent that is specific to the particular type of processing activity, and that consent is informed, unambiguous and freely given.
- 4.2. The processing is necessary for the performance of a contract, to which the individual is a party, or is necessary for the purpose of taking steps with regards to entering into a contract with the individual, at their request.
- 4.3. The processing is necessary for the performance of a legal obligation to which the School is subject.
- 4.4. The processing is necessary to protect the vital interests of the individual or another.
- 4.5. The processing is necessary for the performance of a task carried out in the public interest, or in the exercise of official authority vested in the School.
- 4.6. The processing is necessary for a legitimate interest of the School or that of a third party, except where this interest is overridden by the rights and freedoms of the individual concerned.

#### **5. USE OF PERSONAL DATA BY THE SCHOOL**

- 5.1. The School holds personal data on pupils, staff and other individuals such as visitors. In each case, the personal data must be treated in accordance with the data protection principles as outlined in paragraph 3.1 above. The information in sections 5.2 to 5.11 is provided for indicative purposes and is not intended to be exhaustive. Further details are contained in the School's Privacy Notices.

##### **Pupils**

- 5.2. The personal data held regarding pupils includes contact details, assessment / examination results, attendance information, characteristics such as ethnic group, special educational needs, any relevant medical information, and photographs.

- 5.3. The data is used in order to support the education of the pupils, to monitor and report on their progress, to provide appropriate pastoral care, and to assess how well the School as a whole is doing, together with any other uses normally associated with this provision in a school environment.
- 5.4. The School may make use of limited personal data (such as contact details) relating to pupils, and their parents or guardians for fundraising, marketing or promotional purposes and to maintain relationships with pupils whilst they are at the school and once they have left the school, where consent has been provided to do so.
- 5.5. In particular, the School may:
- 5.5.1. transfer information to any association society or club set up for the purpose of maintaining contact with pupils and ex pupils or for fundraising, marketing or promotional purposes relating to the School, where consent has been obtained;
  - 5.5.2. make personal data, including sensitive personal data, available to staff for planning, school visits, curricular or extra-curricular activities;
  - 5.5.3. Use photographs and moving images of pupils in accordance with the photograph procedures.
- 5.6. Any wish to limit or object to any use of personal data should be notified to the Data Protection Officer in writing, which notice will be acknowledged by the School in writing. If, in the view of the Data Protection Officer, the objection cannot be accommodated, the individual will be given written reasons why the School cannot comply with their request.

### **Staff**

- 5.7. The personal data held about staff will include contact details, bank details, salary payroll and pension details, education and employment history, information relating to career progression, information relating to DBS checks, photographs, information about medical conditions, sickness and absence history, disciplinary matters and information about next of kin.
- 5.8. The data is used to comply with legal obligations placed on the School in relation to employment, and the education of children in a school environment. The School may pass information to other regulatory authorities where appropriate, and may use photographs of staff in publicity and promotional material. Personal data will also be used when giving references.
- 5.9. Staff should note that information about disciplinary action may be kept for longer than the duration of the sanction. Although treated as “spent” once the period of the sanction has expired, the details of the incident may need to be kept for a longer period.
- 5.10 Any wish to limit or object to the uses to which personal data is to be put should be notified to the Data Protection Officer who will ensure that this is recorded, and adhered to if appropriate. If the Data Protection Officer is of the view

that it is not appropriate to limit the use of personal data in the way specified, the individual will be given written reasons why the School cannot comply with their request.

### **Other Individuals**

5.11 The School may hold personal information in relation to other individuals who have contact with the school, such as prospective pupils, prospective parents, prospective employees, volunteers, contractors and guests. Such information shall be held only in accordance with the data protection principles, and shall not be kept longer than necessary.

## **6. SECURITY OF PERSONAL DATA**

6.1. The School will take reasonable steps to ensure that members of staff will only have access to personal data where it is necessary for them to carry out their duties. All staff will be made aware of this Policy and their duties under the GDPR. The School will take reasonable steps to ensure that all personal information is held securely and is not accessible to unauthorised persons.

6.2. For further details as regards security of IT systems, please refer to the School's Acceptable Use Policy (including Use of Email Policy).

## **7. DISCLOSURE OF PERSONAL DATA TO THIRD PARTIES**

7.1. The following list includes the most usual reasons that the School will authorise disclosure of personal data to a third party but is not intended to be an exhaustive list:

7.1.1. To give a confidential reference relating to a current or former employee, volunteer or pupil;

7.1.2. for the prosecution, investigation, prevention or detection of crime;

7.1.3. for the assessment of any tax or duty;

7.1.4. where it is necessary to exercise a right or obligation conferred or imposed by law upon the School (other than an obligation imposed by contract);

7.1.5. for the purpose of, or in connection with, legal proceedings (including prospective legal proceedings);

7.1.6. for the purpose of obtaining legal advice;

7.1.7. for research, historical and statistical purposes (so long as this neither supports decisions in relation to individuals, nor causes substantial damage or distress);

- 7.1.8. to publish the results of public examinations or other achievements of pupils of the School;
- 7.1.9. to disclose details of a pupil's medical condition where it is in the pupil's interests to do so, for example for medical advice, insurance purposes or to organisers of school visits;
- 7.1.10. to provide information to healthcare professionals or social and welfare organisations and professionals where it is in the interests of pupils to do so, for example for advice and support and the provision of services;
- 7.1.11. to provide information to another educational establishment to which a pupil is transferring and or where it is in the interests of pupils to do so;
- 7.1.12. to provide information to examination bodies as part of the examination process; and
- 7.1.13. to provide information to the relevant Government Department concerned with national education. At the time of the writing of this Policy, the Government Department concerned with national education is the Department for Education (DfE). Examination authorities may also pass information to the DfE.
- 7.2. The DfE uses information about pupils for statistical purposes, to evaluate and develop education policy and to monitor the performance of the nation's education service as a whole. The statistics are used in such a way that individual pupils cannot be identified from them. On occasion the DfE may share the personal data with other Government Departments or agencies strictly for statistical or research purposes.
- 7.3. The School may receive requests from third parties (i.e. those other than the data subject, the School, and employees of the School) to disclose personal data it holds about pupils, their parents or guardians, staff or other individuals. This information will not generally be disclosed unless one of the specific exemptions under data protection legislation which allow disclosure applies; or where necessary for the legitimate interests of the individual concerned or the School.
- 7.4. All requests for the disclosure of personal data must be sent to the Data Protection Officer, who will review and decide whether to make the disclosure, ensuring that reasonable steps are taken to verify the identity of that third party before making any disclosure.

## **8. CONFIDENTIALITY OF PUPIL CONCERNS**

- 8.1. Where a pupil seeks to raise concerns confidentially with a member of staff and expressly withholds their agreement to their personal data being disclosed to their parents or guardian, the School will maintain confidentiality unless it has reasonable grounds to believe that the pupil does not fully understand the consequences of withholding their consent, or where the School believes disclosure will be in the best interests of the pupil or other pupils.

8.2. Such matters will be dealt with in accordance with the Safeguarding and Child Protection Policy.

## **9. SUBJECT ACCESS REQUESTS**

9.1. Anybody who makes a request to see any personal information held about them by the School is making a subject access request. All information relating to the individual, including that held in electronic or manual files should be considered for disclosure, provided that they constitute a “filing system” (see clause 1.5).

9.2. Any subject access requests received by members of staff should be sent to the Data Protection Officer as soon as possible, and must be dealt with in full by the School within the legal timescale of one month of receipt. As the school has limited staff resources outside of term time, we encourage data subjects to submit Subject Access Requests during term time and to avoid sending a request during or immediately before school holiday periods. This will assist the School in responding to requests as promptly as possible.

9.3. It is usually assumed that a child has sufficient understanding to make their own requests in relation to their personal information from the age of 12 but at Wilson’s School, in view of the general intellectual ability of the pupils, it is assumed that all pupils will have sufficient understanding to make their own request. If a person with parental responsibility makes a request on behalf of their child, before responding to the request, the Data Protection Officer must be satisfied that:

9.3.1. the child or young person lacks sufficient understanding; and

9.3.2. the request made on behalf of the child or young person is in their interests.

9.4. Any individual, including a child or young person with ownership of their own information rights, may appoint another person to request access to their records. In such circumstances the School must have written evidence that the individual has authorised the person to make the application and the Data Protection Officer must be confident of the identity of the individual making the request and of the authorisation of the individual to whom the request relates.

9.5. Access to records will be refused in instances where an exemption applies, for example, information sharing may place the individual at risk of significant harm or jeopardise police investigations into any alleged offence(s).

9.6. A subject access request must be made in writing. The School may ask for any further information reasonably required to locate the information or understand the nature of the request.

9.7. An individual only has the automatic right to access information about themselves, and care needs to be taken not to disclose the personal data of third parties where consent has not been given, or where seeking consent would not be reasonable, and it would not be appropriate to release the information. Particular care must be taken in the case of any complaint or dispute to ensure confidentiality is protected.

- 9.8. All files must be reviewed by the Data Protection Officer before any disclosure takes place. Access will not be granted before this review has taken place.
- 9.9. Where all the data in a document cannot be disclosed a permanent copy should be made and the data obscured or retyped if this is more sensible. A copy of the full document and the altered document should be retained, with the reason why the document was altered.

## **10. EXEMPTIONS TO ACCESS BY DATA SUBJECTS**

- 10.1. Where a claim to legal professional privilege could be maintained in legal proceedings, the information is likely to be exempt from disclosure unless the privilege is waived.
- 10.2. There are other exemptions from the right of subject access. If the School intends to apply any of them to a request then an explanation will usually be given as to which exemption is being applied and why.

## **11. OTHER RIGHTS OF INDIVIDUALS**

- 11.1. The School has an obligation to comply with the rights of individuals under the law, and takes these rights seriously. The following section sets out how the School will comply with the rights to:
- 11.1.1. object to processing;
  - 11.1.2. rectification;
  - 11.1.3. erasure; and
  - 11.1.4. data portability.

### **Right to object to processing**

- 11.2. An individual has the right to object to the processing of their personal data on the grounds of pursuit of a public interest or legitimate interest (grounds 4.5 and 4.6 above) where they do not believe that those grounds are made out.
- 11.3. Where such an objection is made, it must be sent to Data Protection Officer who will assess whether there are compelling legitimate grounds to continue processing which override the interests, rights and freedoms of the individuals, or whether the information is required for the establishment, exercise or defence of legal proceedings.
- 11.4. The Data Protection Officer shall be responsible for notifying the individual of the outcome of their assessment within 20 working days of receipt of the objection.

### **Right to rectification**

- 11.5. An individual has the right to request the rectification of inaccurate data without undue delay. Where any request for rectification is received, it should be sent to Data Protection Officer and where adequate proof of inaccuracy is given, the data shall be amended as soon as reasonably practicable, and the individual notified.

11.6. Where there is a dispute as to the accuracy of the data, the request and reasons for refusal shall be noted alongside the data, and communicated to the individual. The individual shall be given the option of a review under the School's Complaints Procedure.

11.7. An individual also has a right to have incomplete information completed by providing the missing data, and any information submitted in this way shall be updated without undue delay.

### **Right to erasure**

11.8. Individuals have a right, in certain circumstances, to have data permanently erased without undue delay. This right arises in the following circumstances:

11.8.1. where the personal data is no longer necessary for the purpose or purposes for which it was collected and processed;

11.8.2. where consent is withdrawn and there is no other legal basis for the processing;

11.8.3. where an objection has been raised under the right to object, and found to be legitimate;

11.8.4. where personal data is being unlawfully processed (usually where one of the conditions for processing cannot be met);

11.8.5. where there is a legal obligation on the School to delete.

11.9. The Data Protection Officer will make a decision regarding any application for erasure of personal data, and will balance the request against the exemptions provided for in the law. Where a decision is made to erase the data, and this data has been passed to other data controllers, and / or has been made public, reasonable attempts to inform those controllers of the request shall be made.

### **Right to restrict processing**

11.10. In the following circumstances, processing of an individual's personal data may be restricted:

11.10.1. where the accuracy of data has been contested, during the period when the School is attempting to verify the accuracy of the data;

11.10.2. where processing has been found to be unlawful, and the individual has asked that there be a restriction on processing rather than erasure;

11.10.3. where data would normally be deleted, but the individual has requested that their information be kept for the purpose of the establishment, exercise or defence of a legal claim;

11.10.4. where there has been an objection made under para 8.2 above, pending the outcome of any decision.

### **Right to portability**

11.11. If an individual wants to send their personal data to another organisation they have a right to request that the School provides their information in a structured, commonly used, and machine-readable format. As this right is limited to situations where the School is processing the information on the basis of consent or performance of a contract, the situations in which this right can be exercised will be quite limited. If a request for this is made, it should be forwarded to the Data Protection Officer who will review and revert as necessary.

## **12 BREACH OF ANY REQUIREMENT OF THE GDPR**

12.1 Any and all breaches of the GDPR, including a breach of any of the data protection principles shall be reported as soon as it is discovered, to the Data Protection Officer.

12.2 Once notified, the Data Protection Officer shall assess:

12.2.1 the extent of the breach;

12.2.2 the risks to the data subjects as a consequence of the breach;

12.2.3 any security measures in place that will protect the information;

12.2.4 any measures that can be taken immediately to mitigate the risk to the individuals.

12.3 Unless the Data Protection Officer concludes that there is unlikely to be any risk to individuals from the breach, it must be notified to the Information Commissioner's Office within 72 hours of the breach having come to the attention of the School, unless a delay can be justified.

12.4 The Information Commissioner shall be told:

12.4.1 details of the breach, including the volume of data at risk, and the number and categories of data subjects;

12.4.2 the contact point for any enquiries (which shall usually be the Data Protection Officer);

12.4.3 the likely consequences of the breach;

12.4.4 measures proposed or already taken to address the breach.

12.5 If the breach is likely to result in a high risk to the rights and freedoms of the affected individuals, then the Data Protection Officer shall notify data subjects of the breach without undue delay unless the data would be unintelligible to those not authorised to access it, or measures have been taken to mitigate any risk to the affected individuals.

12.6 Data subjects shall be told:

12.6.1 the nature of the breach;

12.6.2 who to contact with any questions;

12.6.3 measures taken to mitigate any risks.

12.7 The Data Protection Officer shall then be responsible for instigating an investigation into the breach, including how it happened, and whether it could have been prevented. Any recommendations for further training or a change in procedure shall be reviewed by the Governing Body and a decision made about implementation of those recommendations.

# **FREEDOM OF INFORMATION POLICY**

## **1 INTRODUCTION**

1.1 The School is subject to the Freedom of Information Act 2000 (FOI) as a public authority, and as such, must comply with any requests for information in accordance with the principles laid out in the Act.

## **2 WHAT IS A REQUEST UNDER FOI**

2.1 Any request for any information from the School is technically a request under the FOI, whether or not the individual making the request mentions the FOI. However, the ICO has stated that routine requests for information (such as a parent requesting a copy of a policy) can be dealt with outside of the provisions of the Act.

2.2 All FOI requests should be referred promptly to the Data Protection Officer, who will make arrangements for the request to be dealt with.

2.3 When considering a request under FOI, consideration must be given to the fact that release under FOI is treated as release to the general public, and so once it has been released to an individual, anyone can then access it, and the School cannot restrict access when releasing by marking the information “confidential” or “restricted”.

## **3 TIME LIMIT FOR COMPLIANCE**

3.1 The School must respond as soon as possible, and in any event, within 20 working days of the date of receipt of the request. For a School, a “working day” is one in which pupils are in attendance, subject to an absolute maximum of 60 calendar days to respond.

## **4 PROCEDURE FOR DEALING WITH A REQUEST**

4.1 When a request is received by the Data Protection Officer, consideration will be given to re-allocation to an individual with responsibility for the type of information requested.

4.2 The first stage in responding is to determine whether or not the School “holds” the information requested. The School will hold the information if it exists in computer or paper format. Some requests will require the School to take information from different sources and manipulate it in some way. Where this would take minimal effort, the School is considered to “hold” that information, but if the required manipulation would take a significant amount of time, the requestor should be contacted to explain that the information is not held in the manner requested, and offered the opportunity to refine their request. For example, if a request required the School to add up totals in a spread sheet and release the total figures, this would be information “held” by the School. If the School would have to go through a number of spread sheets and identify individual figures and provide a total, this is likely not to be information “held” by the School, depending on the time involved in extracting the information.

4.3 The second stage is to decide whether the information can be released, or whether one of the exemptions set out in the Act applies to the information. Common exemptions that might apply include:

- 4.3.1 Section 40 (1) – the request is for the applicant’s personal data. This must be dealt with under the subject access request regime detailed in the Data Protection Policy above and relevant legislation;
- 4.3.2 Section 40 (2) – compliance with the request would involve releasing third party personal data, and this would be in breach of the Data Protection principles, data protection legislation and the Data Protection Policy above;
- 4.3.3 Section 41 – information that has been sent to the School (but not the School’s own information) which is confidential;
- 4.3.4 Section 21 – information that is already publicly available, even if payment of a fee is required to access that information;
- 4.3.5 *Section 22 – information that the School intends to publish at a future date;*
- 4.3.6 *Section 43 – information that would prejudice the commercial interests of the School and / or a third party;*
- 4.3.7 *Section 38 – information that could prejudice the physical health, mental health or safety of an individual (this may apply particularly to safeguarding information);*
- 4.3.8 *Section 31 – information which may prejudice the effective detection and prevention of crime – such as the location of CCTV cameras;*
- 4.3.9 *Section 36 – information which, in the opinion of the chair of governors of the School, would prejudice the effective conduct of the School. There is a special form for this on the ICO’s website to assist with the obtaining of the chair’s opinion.*

4.4 The sections mentioned in italics are qualified exemptions. This means that even if the exemption applies to the information, it is necessary to carry out a public interest weighting exercise, balancing the public interest in the information being released, as against the public interest in withholding the information.

## **5 RESPONDING TO A REQUEST**

5.1 When responding to a request where the School has withheld some or all of the information, the School must explain why the information has been withheld, quoting the appropriate section number and explaining how the information requested fits within that exemption. If the public interest test has been applied, this also needs to be explained.

5.2 The letter should end by explaining to the requestor how they can complain if they are not satisfied with the response.

## **6 CONTACT**
