## School Uniform Policy

**Approved by Governors: Spring 2022**

## **Wilson's School Uniform Policy**

### **1. Introduction**

1.1 Wilson's School has adopted this school uniform policy in recognition of the important role that a uniform plays in promoting a sense of pride in the school, providing a sense of community and identity and setting an appropriate tone for education. We expect all students to take responsibility for their appearance and ensure that they adhere to the school uniform requirements.

1.2 The school uniform policy adopted by the school ensures students wear practical and suitable clothing for their activities at school and look smart. The uniform makes students feel equal to their peers in terms of appearance and helps to identify Wilson's School students outside of school.

1.2 It is policy that all students wear school uniform when attending school, or when participating in a school-organised event outside normal school hours unless it has been specifically confirmed by the school that school uniform is not required (e.g. a charity MUFTI day or a school visit for which non-uniform clothing is more appropriate for the activity).

1.3 There are specific uniform rules for students in years 7 to 11 and for students in the Sixth Form. This policy is related to and must be read alongside the Behaviour Code of Conduct and the Sixth Form Agreement as these documents contain further information about the requirements for appearance such as hair and wearing of jewellery.

### **2. The role of parents**

2.1 Parents are expected to support this school uniform policy. Parents are responsible for supporting their child in arriving at school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean and in good repair.

### **3. The School Uniform**

3.1 The school has chosen the required uniform items carefully taking into account the affordability of the items and value for money. Value for money takes into account considerations of cost, quality and durability of the items. All items of required uniform have been tried and tested to ensure that they are of high quality, hard-wearing, machine washable and long lasting.

3.2 High standards of presentation are required at all times when wearing the Wilson's school uniform.

3.3 Uniform for students in years 7 to 11.

#### 4. Hardship

4.1 Parents of pupils who are in receipt of free school meals will be provided with help with the cost of school uniform. This can be done by application to the Finance Office on joining the school in Year 7 and will be managed through the relevant pastoral team during the student’s time at the school should the student require replacement items of school uniform.

4.2 In other cases of hardship application can be made to the Finance Office for assistance with the cost of school uniform on joining the school or, if replacement items of school uniform are needed during a student's time at the school and cost is an issue, then the matter should be discussed with the relevant pastoral team. Each application for assistance will be considered on a case by case basis. All cases of hardship will be dealt with in strict confidence.

## 5. Second Hand Uniform

5.1 Second hand uniform items are offered for sale to all parents on a regular basis via sales on the school site. Information about the dates and times of the sales will be provided via the weekly school update newsletter. They will also be detailed in the school online calendar.

## 6. Review

6.1 This policy applies for the school year 2022-23. It will be reviewed in Spring 2023 and the reviewed policy will be published ready for the school year 2023-4.
